Land O' Lakes, Florida:

Kool Tek proudly announces the arrival of the latest design in its water cooler series. The G4 models are made using a blow molded, durable construction with a soft gloss surface. Additional features include a high efficiency compressor, high power stainless hot water tank and a child safety lock faucet. An optional POU conversion kit is also available upon request. For information on this and the entire Kool Tek line call 877-Kool-Tek or email cliff@kooltekcoolers.com. www.KoolTekCoolers.com
